

## **Takeout Button® Proposal**

This proposal is for a St Pete Chamber's eatery member (Client) by Takeout Button® (Vendor).

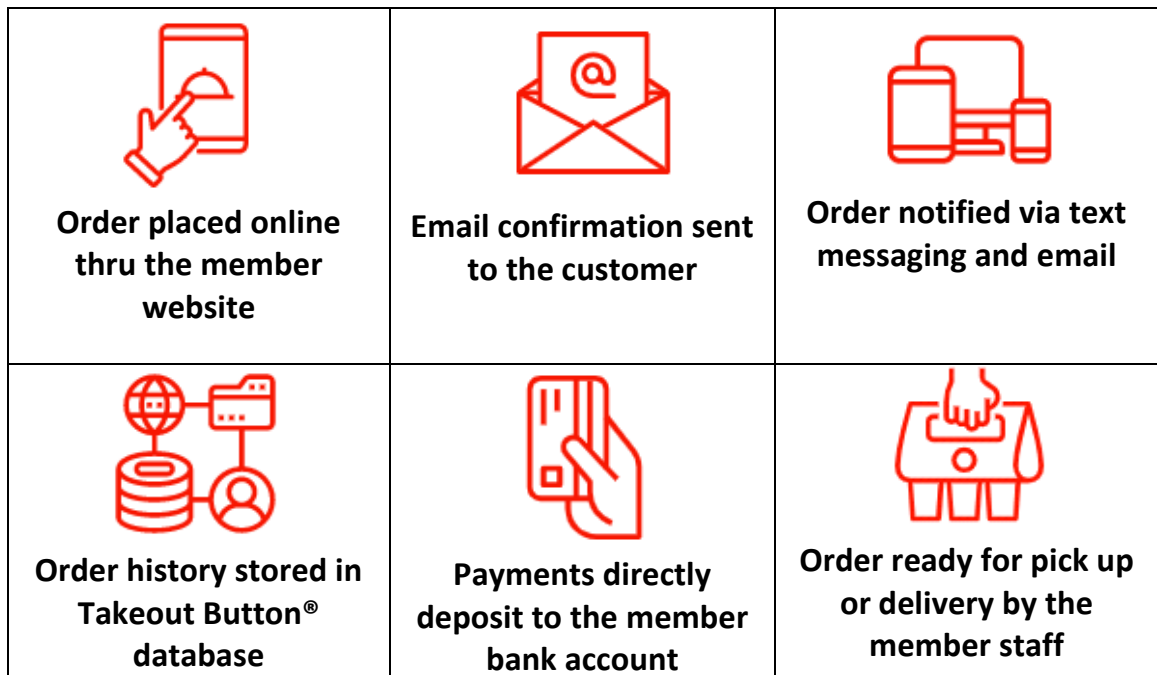

### **Proposed Solutions**

Takeout Button® proposes to build online ordering service for up to **20 menu items** for any St Pete Chamber's eatery member who is looking to save staff time on a phone, minimize order errors and make it easy for their customers to order and prepay directly from their website or Facebook page.

Some of the features will include:

- The restaurant/bakery/catering manager and key staff will be notified of online orders via mobile text messaging and email.
- The orders can be automatically printed on their kitchen printers along with the food delivery or pick up time requirements with additional charge\*.
- Customers can prepay with credit card online and payments can be directly deposit to a member bank account

Below is a diagram of how the whole online ordering process works.

**Setup Fee: \$0**

Online ordering system setup includes

- Initial menu setup up to 20 menu items. For full menu setup please contact **Cindy** via [contact@takeoutbutton.com](mailto:contact@takeoutbutton.com).
